Total no of students	118
About the event	A Knowledge Sharing Session on Career Opportunities was organized for MBA students with the support of HCL Tech. The session was delivered by Bala Chakradhar, who shared valuable insights into various career paths, employability skills, and current industry expectations. The session guided students in making informed career choices and enhancing their readiness for professional opportunities.
Objective of the event	To create awareness about diverse career opportunities, enhance students' understanding of industry requirements, and develop employability skills such as communication, confidence, and professional readiness.
Outcome of the Event	Students gained clarity on different career options and the skills required to succeed in the job market. The session enhanced their understanding of industry expectations and motivated them to focus on skill development and career planning.
Feed back	The session received positive feedback from students, who found it informative and career oriented. The resource person's practical guidance and suggestions were highly appreciated. Students expressed interest in attending more such career development sessions in the future.
Linkage with Sustainable Development Goals (SDGs):	The **Knowledge Sharing Session on Career Opportunities** aligns primarily with **SDG 4: Quality Education,** by providing students with industry insights, career guidance, and employability skills necessary for professional success. The session enhanced students' understanding of career pathways, industry requirements, and the competencies needed in today's job market. The event also contributes to **SDG 8: Decent Work and Economic Growth,** by promoting career preparedness and employment readiness. Furthermore, the collaboration with industry experts supports **SDG 17: Partnerships for the Goals,** through effective industry-academia interaction and knowledge sharing.
