### **ISHRAE Student Chapter of LBRCE**

It is bring to your notice that ISHRAE (Indian Society of Heating, Refrigeration & Air Conditioning Engineers) student chapter was established in the year 2009 at LBRCE. This chapter is going to organize Technical Quizzes at state/International level, Guest lectures and so on, in the Refrigeration and Air conditioning area. ISHRAE since two years was organizing Job-Junction for Fresh engineers. Job Junction is an initiative by ISHRAE to provide Job opportunities to fresh graduate engineers and diploma holders and helping industries to recruit right personnel. Job Junction will be organized in various cities (Delhi, Kolkata, Bangalore & Mumbai) to facilitate students and employers across India. ISHRAE since three years is giving project grant of Rs 1,00,000 to Post-graduate students and Project grant of Rs 50,000 to Undergraduate students for doing their Innovative projects. The Members will get ISHRAE Membership ID card. The Membership fee and renewal fee for students is Rs.550/- per year.
