DEPARTMENT OF MECHANICAL ENGINEERING

Stake holder feedback summary on syllabus during the A.Y: 2014-15

Students

- Guest lectures are needed.

Teachers

- More number of industrial visits are needed.
- Provide teaching lesson plans in the institute website.

Employers

- Expecting better communication skills from students through necessary teaching learning methodology implementation in the academics.
- Need to improve programming skills.
- Improve the MoUs with industries.

Alumni

- More number of industrial visits are needed.
- Improve employability in Refrigeration and Air conditioning fields through ISHRAE student chapter activities.

Parents

- Enhance the placements in future.
- Motivate the students towards higher education.

Action Taken Report

- ✓ Planning for Guest lecturers from the academicians and industry experts.
- ✓ Already reviewed and planning for more industrial visits.
- ✓ We are planning to place the detailed lesson plan in the institute website.
- ✓ To meet the expectations from Employer, we have planned English communications skills lab in two semesters along with CSS classes are included in regular classwork.
- ✓ Already planned to conduct classes under CGT programme.
- ✓ To develop the interaction between industry and institute MoUs are initiated.
- ✓ ISHRAE student chapter of LBRCE is focussed on creating more employability opportunities through ISHRAE Job fair.
- ✓ Working out to arrange more industrial visits for students.
- ✓ Awareness on higher education will be provided.
