

Summary Report on World Space Week Celebrations 2019

World Space Week (WSW) is an international celebration of science and technology, and their contribution to the betterment of the human condition. The United Nations General Assembly declared in 1999 that World Space Week will be held each year from October 4-10. These dates commemorate two events: October 4, 1957: Launch of the first human-made Earth satellite, Sputnik 1, thus opening the way for space exploration October 10, 1967: The signing of the Treaty on Principles Governing the Activities of States in the Exploration and Peaceful Uses of Outer Space, including the Moon and Other Celestial Bodies.

Satish Dhawan Space Center (SDSC) a Statutory body of Indian Space Research Organization (ISRO) celebrated the *“World Space Week 2019” during 9th to 10th October 2019* at Mylavaram with the collaboration of the *Lakireddy Bali Reddy College of Engineering, Mylavaram*. Through the celebrations it was planned to propagate the benefits of Indian Space Program to the majority of Scientific, Academic and General Public and to spread the awareness about the space technology that will simulate the young minds and reap benefits for future generations.
