### REPORT ON INDUSTRIAL VISIT

Event Type	: Industrial Visit of B.Tech – ASE – III & V Semester Students
Date/Duration	: 14-07-2025
Name of Industry	<b>Vijayawada International Airport</b>
Place of visit	: Gannavaram, Vijayawada, Krishna District.
Faculty In-charges	: Dr. Sreenadh Chevula Dr. A Revanth Reddy
Non-teaching In-charges	: Mr. D. Setha Rami Reddy – Lab helper Mr. D. Ashok Kumar - Fitter
No. of students Participated	: 56 No's

### **Description/Report on Event:**

The III & V Semester B. Tech Students of Aerospace Engineering accompanied with four staff members (including 2 teaching & 2 non-teaching) visited Vijayawada International Airport, Gannavaram, Vijayawada on 14-07-2025. The main objective of the visit is to bridge the gap between industry and academia. The focal points of the visit was to understand the Air Traffic Control procedures and the CNS (communication, Navigation and Surveillance) equipments and procedures used in modern day airports to guide the incoming and outgoing aircrafts along with a detailed knowledge on the passenger handling and boarding procedures of the airport.

After arriving at the industry, the students were divided into multiple batches with each batch visiting one of the three centres, where a detailed explanation was given by the technical staff present there. The students were given the opportunity to interact with the staff where they learnt the different types of communication equipments and the frequencies used by ground based controllers. The students were also privy to witness the live landing and take off of the aircrafts and they obtained knowledge on the communications between the aircraft and the ATC in real time. The students visited the main airport terminal where they were briefed on the security protocols and the pre-flight boarding procedure to be followed by the passengers.

## Student Feedback/Suggestions:

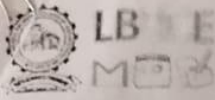

The students were extremely happy about the industrial visit as they could see and understand the airport facilities and procedures in real time. Many students were motivated to apply to the ATC and CNS centres for their summer internships in the following year.

Dear Lakshmi Kantha Reddy Sir,

Good afternoon. I am Dr. Sreenadh Chevula from the Department of Aerospace Engineering at Lakireddy Balireddy College of Engineering in Mylavaram. Following our in-person discussion yesterday (08-07-2025), I am attaching the letter granting permission for the visit to the Airport in Vijayawada, along with the list of students and their ID cards, in this email.

I kindly request your approval for the listed students and faculty members to visit the Airport on 14th July 2025.

Thank you.

--

**With Best regards,**

Dr. Sreenadh Chevula, Ph.D.

Dear Sir,

*CASO/HOD/ORD/JUM(CND)/HOD(ATC)*

Sub: Permission for Airport Visit-Reg.

Laki Reddy Balireddy College of Engineering, sponsored by the Laki Reddy Balireddy Charitable Trust, was established in 1998 and is affiliated with J.N.T.K University. The college boasts a spacious campus that spans 75 acres, surrounded by serene nature and abundant greenery, including a 5-acre landscaped garden. It offers B. Tech courses in 9 major disciplines, including Aerospace Engineering.

As part of the academic curriculum, students are required to visit industrial sites every semester to gain exposure to practical environments. In this context, our II and III B. Tech Aerospace Engineering students are keen to visit your airport for one day during the period from July 14, 2025, to July 15, 2025, at your convenience. I would be very grateful if you could grant permission for approximately 56 students and four faculty members (56 (25+31) STUDENTS + 4 FACULTY) listed below to visit your airport and ATC operations divisions on the specified dates.

A favourable reply is requested soon in the regard.

Thanking you,

Address of Correspondence  
Dr.P.Lovaraju (Prof. &HOD)  
Laki Reddy Balireddy college of Engineering  
Mylavaram, Krishna Distract,

Yours Sincerely,

*(Dr. P. Lovaraju)*
