Outcome of event	:	All the participants were discussed and clearly understood child rights and protection policies.

Description / Report on Event:

Saheli Girls club of LBRCE conducted EEE department event in the month of September-2018 on "CHILD ABUSE AND CHILD RIGHTS" in order to create awareness on child rights, policies, sensitization and awareness building. Four teams of girl students were given speech on commercial sexual exploitation, trafficking, child labour and harmful traditional practices, such as female genital mutilation/cutting and child marriage. They also spoke on Protection that allows children to have access to their other rights of survival, development, growth and participation.

Feedback / Suggestions : Students are requested to conduct this kind of event as a central activity so that awareness is created among all the students of college.
