DEPARTMENT OF CIVIL ENGINEERING

The Chairman BoS introduced himself as he has taken charge recently and introduced other members for the sake of new members joined the meeting. He had acknowledged the services of members of BoS in the development of curriculum of the department in the progression of academic regulation right from R-11 to R-23 regulations.

Specific meeting agenda items and their proceedings are outlined below.

1. Confirmation of minutes of 17th BoS meeting held on 20-09-2023

BoS members reviewed and confirmed the minutes of 17th BoS meeting held on 20-09-2023

2. Review of Action Taken Report (ATR) on the minutes of 17th BoS meeting.

BoS members reviewed action taken report (ATR) for the minutes of 17th BoS meeting and approved the same.

3. Discussion and Approval of Syllabi and course structure of B.Tech III & IV semesters, specification of COs and CO-PO articulation matrix.

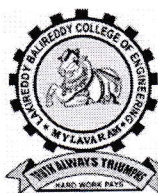

Course structure and syllabi of III and IV semesters was presented by BOS Chairman. The Course outcomes (COs) statements and the articulation matrix for each of the courses are also presented and reviewed by the BoS.

Honorable members of BoS deliberations and suggestions are presented below.

- The reason for Surveying (III semester course) included as engineering science course is deliberated and understood from the university curriculum some of the other branches like Architectural Engineering might have the same course in their curriculum.
- The possibility of shifting RS and GIS Lab (IV semester) shift to next semester is discussed however JNTUK suggested to adopt common course structure, and hence continued RS and GIS Lab in IV semester.
- Principal stresses may be included somewhere is suggested. In coming semesters the possible inclusion of this topic may be considered.
- The possible heaviness of six number of courses in IV semester is deliberated, however after understanding the evaluation procedure of mandatory course namely Building materials and construction which is only internal evaluation and no external evaluation, its inclusion is accepted by all.

4. Approval of SWAYAM courses for Minor/Honor program for the A.Y 2024-25

Not applicable as department of Civil Engineering is not offering minor/honors program.
