## REPORT

**World Habitat Day**, observed on the **first Monday of October each year**, serves as a global platform to contemplate the state of our habitats and emphasize the fundamental right of every individual to have access to adequate shelter. This year **World Habitat Day observed on 2nd October**. In the year 2023, this day takes on a special significance as urban economies around the world grapple with unprecedented challenges. Against the backdrop of a declining global economy, exacerbated by the lingering effects of the COVID-19 pandemic and conflicts, **World Habitat Day 2023 focuses on the theme of “Resilient Urban Economies: Cities as Drivers of Growth and Recovery.”**

The Department of Civil Engineering of Lakireddy Bali Reddy College of Engineering has organized a Guest Lecture and drawing competition on “**Resilient Urban Economies: Cities as Drivers of Growth and Recovery**” for 1<sup>st</sup> year B.Tech Students in association with IE AP State Centre under the banner of **IE (I) Student Chapter Mylavaram** and **Prakruthi Club** of LBRCE

on 03<sup>rd</sup> October, 2023.

The objective of the program is to create awareness to the 1st year B. Tech students about the importance of World Habitat Day, its history, and the critical theme for 2023.

Dr. P. Polu Raju, Professor, Civil Engg Dept, KLU and Past Chairman of Indian Concrete Institution acted as the Resource person in the guest lecture programme along with Dr. C. V Sriram, FIE Chairman, IEI APSC, Prof. (Dr.) M L S Deva Kumar, FIE Hon. Secretary, IEI APSC and Dr D. Ramesh Kumar, EC member, IE APSC. Dr Polu Raju highlighted the need for ecofriendly construction techniques to meet the increased habitation needs. He illustrated the same with a few case studies.

All the I B.Tech. Students and faculty members participated in the Guest Lecture. Students interacted with the resource persons and have enjoyed the sessions. This program is helpful for the students to understand the importance of World Habitat Day, its history, and the critical theme for 2023.

The resource persons were felicitated by Dr.K. Appa Rao, Principal LBRCE and distributed prizes to the winners in this regard.
