INTERNSHIP COMPLETION CERTIFICATE

This is to certify that Mr. Vemula Ramesh (22761A0137), B. Tech 3rd year, VI semester student at Lakireddy Balireddy College of Engineering (Autonomous), Mylavaram has successfully completed the summer internship in this organization, from 15th May 2025 to 30th June 2025.

During the internship, he was sent to the live project sites which includes the following viz.,

1. Exposure to Monolithic construction of high-rise structures using Aluminium Formwork, duly visiting the existing Vasavi urban project at Bachupally, Hyderabad.
2. Exposure to Precast construction, duly visiting the precast construction Hostel building under execution at JNTU, Hyderabad.
3. Visit to the Precast Industry, Inventaa at Hyderabad and got exposure to the manufacturing process of Precast elements.

The above three projects give awareness about three different construction technologies as mentioned above and exposure to formwork and de-shuttering implemented in the above projects.

- Trained on Drafting of RCC Structural elements and reinforcement detailing drawings using AutoCAD software, in accordance with the provisions of SP:34 & IS 456 code books.
- Developing Excel-based programs for the Design of Structural Elements.
- Gave awareness about Costing and Estimation using Excel software.

During the period of the internship programme, he is found to be sincere, motivated, and hardworking.
