DISTRIBUTION OF PAPER BAGS IN THE CAMPUS

Event Type : The Prakruthi, The environmental club of LBRCE took an initiative and all the student members made paper bags with their hands with old newspapers obtained from central library of Lakireddy Bali Reddy College of Engineering.

Date / Duration : 18-07-2018, 2.00pm to 4.00pm

Resource Person :

Name of Mentors : Dr. Shaheda Niloufer & V. Bhagya Lakshmi

Target Audience : II year B.Tech students

Total no of Participants: 800

Objective of the event : Reduce the plastic pollution

Outcome of event : Reduce the plastic waste

Description / Report on Event:

Plastic pollution is an evil that needs to be addressed urgently. Not only is it killing environment, but the toxins could also enter our body through food and water in the form of micro plastic.

We here at Prakruthi in a bid to address this issue decided to phase out plastic bags pollution from the campus in a systematic manner. In the discussions made by the student members it was decided that the cleaning should be started from the college canteen first and replacing plastic bags with paper bags was advised to be the best possible solution at our disposal. So, an initiative was taken and all the student members made paper bags with their hands with old newspapers obtained from central library of Lakireddy Bali Reddy College of Engineering.
