POSTER PRESENTATION COMPETITION ON WORLD SOIL DAY - 2022

Event Type : Poster presentation competition on “Soil Conservation” on the occasion of World Soil Day-2022

Date / Duration : 5th December, 2022

Sponsored by : AICTE SPICES

Event Name : Poster Presentation Competition

Total no of Participants: 88 students from all the departments of LBRCE

Objective of the event : Inculcating the importance of Soil among the students

Outcome of event : Students participated with interesting posters on soil conservation and explained the aspects like formation of soil, erosion and degradation of soil etc in the competition. Good exposure for students to present scientific ideas at an early age.

Description / Report on Event: This event was conceived with an aim to spread awareness about importance of soil and catastrophic consequences caused due to erosion and degradation of soil by the humans. Healthy soils are essential for healthy plant growth, human nutrition, and water filtration. Healthy soil supports a landscape that is more resilient to the impacts of drought, flood, or fire. Soil helps to regulate the Earth's climate and stores more carbon than all of the world's forests combined. And this year for the “World Soil Day 2022”, Prakruthi club organize a poster presentation competition for the students with the theme of soil conservation for future generations. While exhibiting their posters, the participants explained the importance of soil and the various human activities that are causing damage to our natural soils. The Top performers were adjudicated by a panel of judges comprising Dr. V. Parvathi and Dr. Shaheda Niloufer & Dr. V. Bhagya Lakshmi. While attending the valedictory program, the Principal, Dr.K.Appa Rao presented prizes to the winners.

The team of volunteers, namely K. Venkatesh, A. Harshitha, Syam Paul and so on coordinated the event under the supervision of Dr. Shahed Niloufer & Dr. Bhagya Lakshmi.
