## POSTER PRESENTATION COMPETITION ON WORLD SOIL DAY - 2022

**Event Type** : Poster presentation competition on “Soil Conservation” on the occasion of World Soil Day-2022  
Purchased Lab Equipment

**Date / Duration** : 5<sup>th</sup> December, 2022

**Sponsored by** : AICTE SPICES

**Event Name** : Poster Presentation Competition

**Total no of Participants**: 88 students from all the departments of LBRCE

**Objective of the event** : Inculcating the importance of Soil among the students

**Outcome of event** : Students participated with interesting posters on soil conservation and explained the aspects like formation of soil, erosion and degradation of soil etc in the competition. Good exposure for students to present scientific ideas at an early age.

**Description / Report on Event**: This event was conceived with an aim to spread awareness about importance of soil and catastrophic consequences caused due to erosion and degradation of soil by the humans. Healthy soils are essential for healthy plant growth, human nutrition, and water filtration. Healthy soil supports a landscape that is more resilient to the impacts of drought, flood, or fire. Soil helps to regulate the Earth's climate and stores more carbon than all of the world's forests combined. And this year for the “World Soil Day 2022”, Prakruthi club organize a poster presentation competition for the students with the theme of soil conservation for future generations. While exhibiting their posters, the participants explained the importance of soil and the various human activities that are causing damage to our natural soils. The Top performers were adjudicated by a panel of judges comprising Dr. V. Parvathi and Dr. Shaheda Niloufer & Dr. V. Bhagya Lakshmi. While attending the valedictory program, the Principal, Dr.K.Appa Rao presented prizes to the winners.

The team of volunteers, namely K. Venkatesh, A. Harshitha, Syam Paul and so on coordinated the event under the supervision of Dr. Shahed Niloufer & Dr. Bhagya Lakshmi.

The lab equipment was purchased for Civil Engineering Department for Environmental engineering lab by Prakruthi club using AICTE SPICES grant. This equipment would be helpful for conducting mini projects, demonstrations and student projects. And this may also extend to publish papers in journals and conferences.

**Amount spent for the Event:**

<b>S.No</b>	<b>Title of the Head</b>	<b>Amount Spent</b>
<b>1</b>	Gifts for winners	6681/-
<b>2</b>	Mementos, Pamphlets & Certificates	5360/-
<b>3</b>	Travel and miscellaneous	1340/-
<b>TOTAL</b>		<b>13,381/-</b>

**AMOUNT SPENT FOR THE HARDWARE FOR CIVIL ENGINEERING DEPARTMENT**

<b>S.No</b>	<b>Title of the Head</b>	<b>Amount Spent</b>
<b>1</b>	Laboratory Equipment	28355/-
<b>2</b>	Soil Testing Kit	76464/-
<b>TOTAL</b>		<b>1,04,819/-</b>
