PLANTATION PROGRAM ON THE OCCASION OF WORLD SOIL DAY - 2023

Event Type : Plantation program on the occasion of World Soil Day 2023

Date / Duration : 20th December, 2023

Event Name : Plantation program

Total no of Participants: 65 students

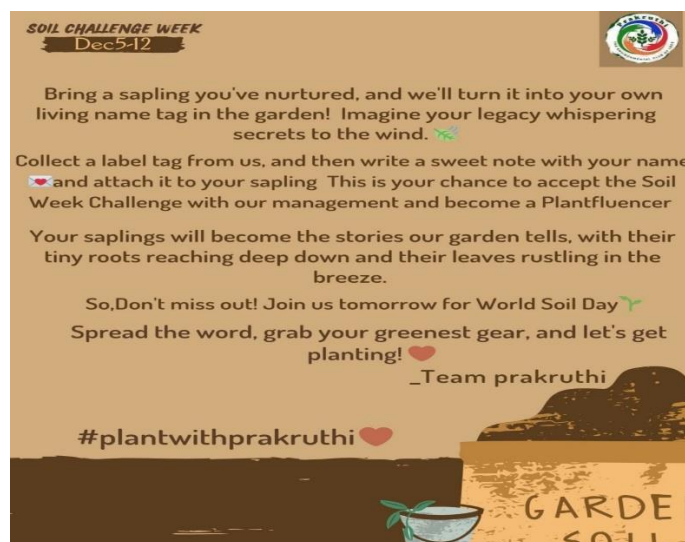

Objective of the event : To improve the soil quality by increasing green cover in the campus

Outcome of event : Increased awareness on the importance of soil and contribution from students to improve green cover in the campus.

Description / Report on Event: On the occasion of soil week that is celebrated from 5th December to 12th December of every year, students were given a challenge to bring the sapling that they have nurtured and plant with their name tag in the herbal garden. 65 students participated in this noble event to bring their saplings and plant them in the garden with their name on the tag tied to the sapling. This event helped to inculcate interest among the students to plant and look after their sapling till they study in this campus. Principal Dr. K. Apparao & CSE HoD Dr. D. Veerayya also encouraged the students by planting their saplings in the herbal garden.

The team of volunteers, namely P. Hima, Akram, Mokshagna and so on coordinated the event under the supervision of Dr. Shaheda Niloufer and Dr. Bhagya Lakshmi.
