POSTER & DRAWING COMPETITION ON WORLD OZONE DAY - 2025

Event Type : Drawing/Poster presentation competition on the occasion of World Ozone Day 2025

Date / Duration : 16th September, 2025

Event Name: Poster & drawing competition

Total no of Participants: 93 students

Objective of the event: Environmental awareness and sensitization among students.

Outcome of event : Impressive posters highlighting Ozone layer contributed by students.

Good exposure for students to present scientific ideas and importance of ozone layer.

Description / Report on Event: This event was conceived with an aim to spread awareness about fast depletion of Ozone layer and its' possible catastrophic consequences for the human race. Further, with the weakening of Ozone layer, humans have become more susceptible to skin cancers, eye cataracts, impaired immune system and food shortages due to lower crop yield & stunting etc. The year 2025 marks the 38th year of the implementation of the Montreal Protocol, a treaty signed by most of the countries for ban on Ozone depleting substances. And this year's theme i.e., "**Beyond the Sky: Healing the Ozone, Healing the Future**" was the main theme for the "**Poster presentation and drawing competition**". While exhibiting their posters and drawings, the students explained the critical role of Montreal Protocol and how it protected the ozone layer and climate challenges. The team of student coordinators, namely S. Ravi Teja, Pasha and so on coordinated the event. The Top performers were adjudicated by a panel of judges comprising Dr. V. Parvathi, Dr. Shaheda Niloufer and Dr. V. Bhagya Lakshmi. While attending the valedictory program, the Principal, Dr.K.Appa Rao presented prizes to the winners.
