REPORT ON “Women’s Health Challenges and preventions : COVID - 19”

Event Type	: Health awareness programme
Date / Duration	: 20/11/2020
Resource persons	: Dr. A. Vijaya Lakshmi, MBBS, DGO, Gynaecologist, Hyderabad
Name of Coordinators	: Saheli Department co-ordinators
Target Audience	: All II Sem LBRCE Girl Students & women Staff
Total no of Participants	: 285 (All LBRCE Girl Students & women Staff)
Objective of the event	: Awareness on “Women’s Health Challenges and preventions : COVID - 19”
Outcome of event	: Majority of the Girl students got awareness on “Women’s Health Challenges and preventions : COVID - 19”

Description / Report on Event : Women need to maintain healthy families, access the health system more than men, both for themselves and on behalf of their children. During COVID-19, Women experience unique health care challenges and are more likely to be diagnosed with certain diseases than men. Chronic diseases and conditions—such as heart disease, cancer and diabetes—are the leading causes of death for women. The Resource person made awareness on the disparities and preventions to promote healthy lifestyles and personal responsibilities for Women.

Feedback / Suggestions : Most of the students said that it is useful and asked for conduction of more programs in future
