

Steps for accessing ASME Journals:

- Click on <http://asmedigitalcollection.asme.org>

The screenshot displays the ASME Digital Collection website in a Mozilla Firefox browser window. The address bar shows the URL asmedigitalcollection.asme.org/journals.aspx. The website header includes the ASME logo, the text "DIGITAL COLLECTION", a search bar with the placeholder "Search ASME Digital Collection", and a "SEARCH" button. A navigation menu below the header contains links for "Home", "Journals", "Conference Proceedings", "eBooks", "Topic Collections", "Library Service Center", and "Help". The main content area features a carousel of journal covers, including "ENGINEERING FOR GAS TURBINES AND POWER", "ENGINEERING MATERIALS AND TECHNOLOGY", and "FLUID ENGINEERING". To the right of the carousel is a section titled "ASME Journal Program" with a descriptive paragraph. Below the carousel is a "Browse All Journals" section, which highlights the "Journal of Applied Mechanics" with a small image and a brief description. The browser's status bar at the bottom shows "Page 1 of 3", "Words: 65", and the system tray with the time "10:34 AM".

ASME JOURNAL PROGRAM

The ASME Journal Program has been established to further the progress of science through the sharing the latest engineering research. Each ASME Journal title publishes the highest quality peer-reviewed literature in their respective field of mechanical engineering. The professionally curated content that comprises the material available through the journals on the ASME Digital Library includes the history of mechanical engineering research as well as the cutting-edge discoveries being made today.

The screenshot shows the ASME Digital Collection website for Applied Mechanics Reviews. The browser window title is "ASME DC | Applied Mechanics Reviews - Mozilla Firefox". The address bar shows the URL: "appliedmechanicsreviews.asmedigitalcollection.asme.org/journal.aspx?journalid=113". The page features the ASME logo and "DIGITAL COLLECTION" text. A search bar is present with the text "Search Applied Mechanics Reviews" and a "SEARCH" button. Below the search bar is a navigation menu with links: Home, Journals, Conference Proceedings, eBooks, Topic Collections, Library Service Center, and Help. The current page is "Journal Home" with sub-links for "Current Issue", "All Issues", and "Accepted Manuscripts". The main content area is titled "Current Issue: Applied Mechanics Reviews" and includes a cover image of the journal. Below the cover image are three links: "View Issue Table of Contents" (highlighted with a white arrow), "View Accepted Manuscripts", and "Browse All Issues". To the right of the main content is a section titled "About This Journal" with a paragraph of text. At the bottom of the page, there is a "Newest Articles" section with a link to "review-article | November, 2012" and a title "Dynamic Testing and Characterization of Woven/Braided Polymer Composites". The browser's taskbar at the bottom shows the Start button, several open applications (Microsoft Office, ASME DC | Appli..., and another Microsoft Office), a search bar, and the system tray with the time 10:40 AM.

- Then select the journal which you want to download. then, Click on PDF option. As a result, the requested journal will automatically opens in PDF format.
