### 6.1. Admission Policy and Process

***Mention the admission test being followed, name and address of the Test Agency and its URL (website)***

**<https://cets.apsche.ap.gov.in/APSCHEHome.aspx>**

Admission into UG and PG programs of the Institution is based on State level Common entrance test conducted by the Govt. of A.P.

**For U.G Programmes :** - for UG programmes, admission of the students into various programs of the institution is based on State level Common Entrance test, EAMCET /ECET, conducted by Government of A.P

**For P.G Programmes :-** Enrolment of the students into MBA/MCA courses is based on the state level common Entrance test, ICET, conducted by the Government of A.P  
Enrolment of the students in M.Tech. Programs is based on PGECET conducted by the Government of A.P and all India GATE exam.

***Number of seats allotted to different Test Qualified candidate separately (AIEEE/CET (State conducted test / University tests / CMAT/GPAT) / Association conducted test)***

***There are two categories in admission process.***

**Category A:** - for both U.G and P.G programs 70% seats based on the common entrance test conducted by government of A.P

**Category B:** - 30% of the seats are filled under Management (Non NRI / NRI sponsored) category as per the norms / regulations prescribed by the A.P Technical education department.

The safety and security of girl students is a prime concern of our college. The institution aims to groom students to be self-reliant, respectful for cultural diversity, aware of their social and civic responsibilities and gender sensitive. These have the highest regard for women safety, security, and environmental consciousness. Keeping the above in mind the following practices are being implemented.

- 24X7 CC TV Surveillance (230)
- A secure parking lot nearer to Academic Blocks is earmarked for girl students.
- Separate Canteen space for girl students.
- Every Department has a girl's waiting room with required amenities.
- Separate and secured hostels are available for girl students within the campus.
- Class room arrangement is made in such a way that girl students are comfortable.
- Wi-Fi enabled reading room is established in the women's hostel and also in the library.
- Women's grievance cell is functioning which takes care of issues of grievances and welfare of the women.
- Internal Complaints Committee (ICC) is also operating in the college to safeguard the girl students.
- Security wing with 23 guards are placed in the campus and hostels.
- Every year there is a celebration of women's day and inspiring women personalities are invited to share their life experiences.
- Timely medical assistance for girl students is available

#### **Fire Safety:**

Annual inspection is done for Fire Safety by AP state Disaster Response, and Fire Service Department and issues fire safety certificate.

#### **Electrical Systems Maintenance:**

- Monthly monitoring of electrical systems such as solar PV system, generator, UPS, and batteries is done and its status is entered in the Log/Stock Book. The suppliers/service providers are approached in case of any major fault.
- Major electrical equipment is covered under Annual Maintenance Contract (AMC) by the suppliers.
- Adequate number of UPS are installed in each department to ensure uninterrupted power supply for all computers.
- Technicians are available as part of maintenance section to maintain refrigeration and air conditioning systems.

### **13.4. Vision for 2047**

“By 2047, LBRCE envisions becoming a nationally recognized hub of innovation, research excellence, and societal transformation—producing technologically skilled, socially responsible, and globally competitive graduates who contribute to building a self-reliant, sustainable, and developed India.”

By the year 2047, LBRCE aims to:

#### **1. Advance India’s Technological Leadership**

- Become a center of excellence in Quantum Computing, AI, robotics, cyber-physical systems, green technologies, advanced manufacturing, and space engineering.
- Contribute to India’s goals of becoming a global innovation powerhouse under initiatives like Digital India, Make in India, and Atmanirbhar Bharat.

#### **2. Promote Atmanirbhar Bharat and Industry Collaboration**

- Develop strong industry-academia partnerships to support national missions in
  - Semiconductor manufacturing
  - Electric mobility
  - Renewable energy
- Create startups and incubation facilities that nurture job creators, not just job seekers.

#### **3. Foster Sustainable Development**

- Align with SDGs and national climate goals, promoting:
  - Clean energy adoption on campus
  - Green infrastructure
  - Sustainable engineering practices
  - Research in climate-resilient technologies

#### **4. Strengthen Human Capital and Quality Education**

- Provide inclusive, future-ready education that supports India’s demographic dividend.
- Integrate NEP-2020 principles:
  - Multidisciplinary learning
  - Skill-based curriculum
  - Flexible academic pathways
- Ensure graduates contribute to Viksit Bharat 2047 through competence, ethics, and leadership.

#### **5. Contribute to Societal and Rural Development**

- Promote innovation for rural upliftment through projects in:
  - Smart agriculture

- Rural digitalization
- Water management
- Health technology
- Become a model institution for community engagement and social responsibility.

#### **6. Achieve Global Excellence and Recognition**

- Collaborate with international universities and research organizations.
- Attract global faculty, researchers, and students.
- Ensure LBRCE ranks among the top engineering institutions in India by 2047.
