Dear WCF Professor,

Warm Greetings and welcome to this year **TalentNext** program.

Lakireddy Bali Reddy College Of Engineering	3	447	5/5/2022	7/14/2022

Hope you had received our earlier mail regarding the PBLApp access activation for your students. The PBLApp access to your confirmed nominated students provided based on start and end date as per your schedule. We will **NOT** be sending any communications directly to students.

Find below the guidelines regarding PBLApp usage and assessments for smooth conduct of this training program.

WCF Guidelines

- WCF will be the forerunner for this program and need to ensure that you guide the students on the PBL [Project Based Learning] framework.
- All the modules as mentioned in the portal should be covered. All the modules part of a particular milestone will also be part of assessment.
- Kindly plan for your theory delivery for each module and make the students understand the concepts as well as to work and complete on the given assignments and projects.
- WCF will be the reviewer for all the students' hands-on/assignments and project completions. No need to share it with TalentNext team.
- Give importance to the Logic Building activity and ensure that your students practice the given demo questions as much as possible. This will help them to improve their problem solving skills.

PBLApp Usage

- The user ID for PBLApp will be their superset ID and the default access code/password is **TalentNext##123**
- They should have the Google Authenticator [GA] App installed, and **NOT** to be deleted.
- The QR code will be displayed **only** for the 1st time registration and for subsequent logins, they should open the GA app and get the recent 6 digit code. Each code is valid only for 30 secs and is automatically changed.

Dear TPO/Professors,

Warm Greetings from **TalentNext**. Hope you are aware that **only** students who clear **all 3 learning phase milestones** of **Phase 1** are eligible to be part of Phase 2 learning and only they will be taking the Phase 2 – Milestone 4 assessment.

Find attached the results of phase 2 – Milestone 4 assessment. Also, when we did a cross check, we could find some of your students who had **NOT** cleared all 3 learning phase milestone of Phase had taken the phase 2 assessment. This is not acceptable. Find attached the list of such candidates. Refer to column **AY**, which says how many milestones of phase 1 cleared.

We will be **excluding** all these students from Phase 2 assessments and their results in Phase 2 be considered **null and void**. You can refer to column BF for Phase 2 status.

College Name: **Lakireddy Bali Reddy College Of Engineering**

Number of students to be excluded from phase 2 Results: **8**

Phase 2				
Milestone 4	# of Pass	# of Fail	# of Absent	# Total
Valid Candidates	278	27	1	306
Excluded Numbers	5	3		8

For any clarifications and support, feel free to write to talent.next@wipro.com

Thanks and Regards

Team, **TalentNext**
