Dear TPO/Professors,

Warm Greetings from **TalentNext**.

Thanks for being part of this year training engagement for your nominated students on **Java Full stack / DotNet Full Stack** skills and successfully completing the training program along with required assessments.

Kindly find below the overall results of assessments. We have already shared with you **final** detailed results file yesterday.

Students who had cleared **all 4 milestones with 60% and above** will receive Java Full Stack / DotNet Full Stack certificate based on the stream being trained.

You can filter column **BK** [Milestones Passed Cleared] for value 4 to get all milestones cleared students from yesterday's report.

The course completion certificates to all the eligible students as per the above criteria will be processed and sent via our certificate credentials platform DICE by this week **[07th to 11th Oct]** in batches.

Kindly inform the students that they will be getting a mail this week from no-reply@diceid.om with the instructions and QR code to get it via DICE ID app.

The TPO E-mail ID will also get a consolidated list for all the certificates dispatched with links to view/download individual certificates.

College Name: **Lakireddy Bali Reddy College Of Engineering**

	Java Full Stack	DotNet Full Stack
--	-----------------	-------------------

# Nominated Students	320	
# Students Certified	292	

Kindly share the below instructions and the attached DICE FAQ to the respective students for reference and inform them that they should **NOT** delete the DICE ID app.

Process for receiving the certificates by students.

- All students eligible for certificate will be receiving a mail from no-reply@diceid.com with a subject line "**Wipro – TalentNext – Student Training Engagement - Course Completion Certificate via DICE ID Credential Platform**".
- As per the instructions provided on the mail, the student must download the DICE ID app.
- Post installation of DICE ID app should scan the QR code provided on the mail to get the credentials of certificate.
- From DICE app, can get the details of the certificate and the link to open/download the certificate.

In case of any issues faced, inform the student **NOT** to directly write to support@diceid.com. Rather to you and college can send us a consolidate file with issues to talent.next@wipro.com so that it would be easy to support.

Below screen shot shows what they will get once they scan the QR code received via mail on DICE ID app

For any clarifications and support, feel free to write to talent.next@wipro.com

Thanks and Regards

Team, **TalentNext**
