Observations

- Total 11 teams were selected for uploading solutions to problem statements.
- All teams were presented their solutions to given problem statement with the integration of hardware and software.
- All teams prepared documents for the solution with proposed methodology, block diagram etc.,
- All team members coordinated to prepare document in well manner and for giving 5 minutes brief about their idea through youtube link.

Outcomes

- **Innovative Solutions:** The event fostered the development of innovative solutions to real-world challenges posed by the problem statements. Participating teams showcased creative approaches and novel ideas to address pressing societal issues.
- **Effective Coordination** All 11 teams demonstrated effective coordination among team members, resulting in well-prepared documents and cohesive presentations. This collaboration allowed for the seamless integration of diverse skill sets and expertise.
- **Dynamic Presentations:** Teams effectively communicated their ideas through engaging 5-minute YouTube presentations, highlighting their solutions' key features and potential impact. This dynamic approach enhanced the visibility and accessibility of their proposals.
- **Enhanced Communication, Report Writing and Collaboration Skills:** Through the process of preparing documents and delivering presentations, participants honed their communication and collaboration skills. They learned to convey complex concepts

Srinu <g.svreddyy@gmail.com>

Congratulations for being shortlisted for SIH 2023 Grand Finale

Smart India Hackathon <sih@aicte-india.org>

Tue, Dec 5 at 2:52 P

Bcc: <g.svreddyy@gmail.com>

Dear Team Leader,

Greetings from the Ministry of Education's Innovation Cell (MIC) and the All India Council for Technical Education (AICTE).

Congratulations for being "SHORTLISTED" for the Grand Finale of Smart India Hackathon 2023. The results can be checked on the website (<https://sih.gov.in/>) also and to confirm your participation a separate mail will be shared to you after announcement of result of all Problem Statements.

Note:

- Teams that are selected for multiple PS will be given option to select only 1 PS for grand finale and that functionality will be provided tentatively by **6th December 2023** over to your dashboard.

The Dates for the SIH Grand Finale are as follows:-

1. SIH Software Edition: 19th to 20th December 2023
2. SIH Hardware Edition: 19th to 23rd December 2023

Please check the detailed result in the link given below:-

Smart India Hackathon 2023 (sih.gov.in)

Also check the allocated nodal center in the link given below:-

Smart India Hackathon 2023 (sih.gov.in)

Thus you are requested to kindly start working on your prototype/Idea in the meantime. Any further information regarding SIH 2023 Grand Finale will be shared with you time to time and you are also advised to check the website regularly for further updates.

For any queries, feel free to contact our implementation team: **(For College SPOC only, Team can contact their POC first and then they can ping the SIH Implementation Team)**

<https://sih.gov.in/implementationteam>

Thanks and regards

Note: All Team Leaders are requested to check the result on the SIH website to confirm their shortlisted status for SIH Grand Finale, mere receiving this email does not guarantee the shortlisted status of any team.

Regards

Smart India Hackathon Team
