Engineer's Day 2022 is celebrated in India on September 15 to honor Sir Mokshagundam Visvesvaraya- the first Civil Engineer in India provides an opportunity to celebrate and thank those who play a vital role in the country's overall development as the scientific achievements are a sign of a developed nation that is on a correct path.

The Department of Computer Science and Engineering organizing the Engineer's Day Celebration 2022 in association with Computer Society of India. A Technical competition will be conducted on 14th September 2022.

Theme: "Innovations and Inventions in Engineering"

The event was organized with three rounds 1. Universal 3 Coordinators 2. Virtual Puzzle Solving 3. Presentation about an Engineer, the aim of making them realize.

The initiative taken by CSE department at LBRCE was highly appreciated by all the staff members and the students. It was an open opportunity to all the BTech II/IV, III/IV and IV/IV CSE students to showcase their talents. On this occasion, best PPTs were presented by the students on the role of an engineer and his responsibilities towards the society. A competition at individual class level followed by group activity to inculcate competitive spirit among the budding engineers. Student coordinators played a major role in collection of topics.

More than 120 students participated in this event. Students with the remarkable performances were awarded with attractive Prizes.
