Department of Computer Science & Engineering Computer Science & Engineering (CSE) The department is established in 1998, offers undergraduate program (B. Tech) in CSE and postgraduate program (M. Tech) in CSE. The 8. Tech program was started in the year 1998 with an intake of 48 students. The intake was subsequently increased to 60 students in the year 1 ggg, go students in the year 2008 and 120 students in the year 2009. The M. Tech was started in the year 2008 with an intake of 18 students. The department is having well qualified and experienced faculty members. The faculty is a perfect blend of different specializations in Computer Science & Engineering to impart their expertise in handling diversified courses in the UG and PG programs. The teaching methodology in the department goes beyond fulfilling the syllabus requirements of the University, to meet the today's industry needs. Faculty motivates and guides the students to do projects in core subjects. Special focus will be given to develop communication and soft skills. The department is having strong association with industry to uplift the students practical knowledge. An R&D center has been established in the department
