Key Highlights

1. Welcoming Address:

Mr. T. Anil Raju, Alumni Coordinator, welcomed the dignitaries and participants, emphasizing:

- *"Our goal is simple yet profound – to create meaningful interactions where experiences and knowledge are shared."*

2. Speeches by Esteemed Guests:

- **Dr. G. Srinivasulu**, HOD of ECE, encouraged students to engage and learn from alumni experiences actively.
- **Dr. K. Appa Rao**, Principal, provided invaluable insights on the importance of alumni networks for professional growth.

3. Alumni Sessions:

The distinguished alumni shared their experiences and guidance:

- **Mr. B. Konda Reddy** (Senior Member, AMD India, Bangalore) discussed career challenges, growth opportunities, and the evolving role of VLSI in the tech industry.
- **Mr. N. Raj Gopal** (Member of Technical Staff, AMD Hyderabad) emphasized the importance of skill development in silicon design.
- **Mr. P. Anand** (Senior Silicon Design Engineer, AMD Bangalore) motivated students to pursue opportunities with passion and determination.

4. Participation of Alumni Students (2020-2024 Batch):

A significant highlight of the program was the participation of **6 alumni students from the 2020-2024 batch** who traveled from Hyderabad to interact with the resource persons. These alumni engaged in meaningful discussions with the resource persons to gain insights for their career development. Additionally, they interacted with current students, sharing their experiences and offering guidance.

5. Interactive Q&A Session:

Students actively engaged with the alumni, asking questions about career growth, technical skills, and industry demands. The alumni and guests responded with practical advice and real-world examples, creating an enriching learning environment.

Acknowledgments
