Objective of the event:

- ❖ To gain Knowledge-on industry operations and executions.
- ❖ To enhance interpersonal skills and communication techniques.

Description / Report on Event:

Main aim industrial visit is to provide an exposure to students about practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices. As a part of curriculum and request from the Class Review Committee the Students of III B.Tech II-Semester ECE planned to had a one day industrial visit to Satish Dhawan Space Center, SHAR, Sriharikota on 12-02-2016 accompanied by the department faculty in-charges Mrs. K. Rani Rudrama, The journey commenced at around 5:00 PM from College Campus and reached SDSC SHAR at around 9:00AM on 12-02-2016. After several security checks and administrative formalities, visitors were taken to a central building. In this place, they were shown a video – ‘Gateway to Space’ – on the ISRO, its history, and the current facilities available.

Student Feedback

Because of monetary and family reasons, students often avoid these visits. It is high time that you realise the importance of these visits and take them as an opportunity to learn about your dream career.
