

LAKIREDDY BALI REDDY COLLEGE OF ENGINEERING

(AUTONOMOUS)

Accredited by NAAC with 'A' Grade, ISO 9001:2015 Certified Institution

Approved by AICTE, New Delhi and Affiliated to JNTUK, Kakinada

L.B.Reddy Nagar, Mylavaram-521230, Krishna Dist, Andhra Pradesh, India

DEPARTMENT OF ECE

REPORT ON EVENT “An Introduction to Programming the IOT”

Event Type : Certification Program

Date / Duration : 2 Weeks

Resource Person : Macharla UmaMaheswara Rao, Rangu Sivaranganayakulu and
Mandava Ramu, APPSDC

Name of Coordinator : V.V.Rama Krishna, Assosc Prof

Target Audience : II B.tech

Total no of Participants: 21

Objective of the event: This course aims at imparting job-oriented training on Microcontroller architectures and concepts of Embedded C language from an industry perspective. By providing Hands-on workshop to students, they will get idea on hardware components.

Outcome of event : By using this knowledge they can develop simple real time projects and help them after B.Tech as this certification is based on currents trends in industry.

Description / Report on Event: Andhra Pradesh State Skill Development Corporation (APSSDC) is a unique organization formed as a Public-Private Partnership (PPP) corporation to promote skill-development & entrepreneurship in the state of Andhra Pradesh. This course aims at imparting job-oriented training on Microcontroller architectures and concepts of Embedded C language from an industry perspective. By providing Hands-on workshop to students, they will get idea on hardware components. By using this knowledge they can develop simple real time projects. In this course we will use Embedded C for microcontroller programming

Feedback / Suggestions : Good
