Power Point Presentation in association with IETE

Event Type : PPT

Date / Duration : 10.03.2025

Name of Convener : Dr G.Srinivasulu

Name of Coordinators: Dr.V.Ravi Sekhara Reddy

Target Audience : B.Tech ECE IV Sem & VI Sem Students

Total no of Participants: 50

Objective of the event: To explore recent trends in communication and to develop participant's communication skills and building confidence

Description / Report on Event:

Electronics and Communication Engineering (ECE) department, Lakireddy Bali Reddy College of Engineering, Mylavaram, and Institution of Electronics and Telecommunication Engineers (IETE) students' chapter is jointly organized the PPT. The PPT took place on March 10, 2025, at the Advanced Communication Lab, bringing together IV-semester and VI-Semester students to explore recent trends in communication. The event aimed to encourage knowledge-sharing, develop communication skills and foster a sense of healthy competition among students. A total of 25 batches from across the 2nd year and 3rd year ECE in the contest, each represented by a batch of two students.

Out of 25 batches, 3 batches were selected as winners based on performance. All participants in 25 batches received participation certificates, and the top 3 teams are awarded with individual prizes by Dr.G.Srinivasulu,HOD, ECE and Dr.G.L.N.Murthy, Professor of ECE department. Dr. V.Ravi Sekhara Reddy, Dr K.Rani Rudrama and Mr.M.Sivasankara Rao acted as Judges for this event. HoD and all faculty members congratulated all Student coordinators of IETE for organizing this event smoothly. The PPT contest was a great success, offering students an opportunity to showcase their academic prowess while building communication skills, knowledge and confidence.

Top 3 Teams shortlisted from PPT contest to award prizes

S.No	Name of the students with Roll No	Year & Section	Topic	Remarks
1	Achutha(22761A0418) Parasuram (22761A0457)	III-A III-A	Beep Seek AI	First Prize
2.	M.Deepika (22761A04H3) P.Srija (22761A04H8)	III-C III-C	Communication through visible light	Second Prize
3.	P.Usha Rani (23761A04G5) L Moounika (23761A04H6)	II-C II-C	Plastic solar cell-the future of sustainable energy	Third Prize

Feedback / Suggestions:

1. Suggested to conduct similar events in the future.
