ISTE STUDENT CHAPTER

REPORT on Poster Presentation

Event Type : Poster Presentation on the occasion of Engineer's Day

Date / Duration : 15.09.2025, One Day

Name of Judges : Dr. G.L.N. Murthy, Professor, LBRCE.

Name of Coordinator : Dr. P. Venkat Rao, Associate Professor, ECE Dept , LBRCE

Target Audience : III & II year students

Total no of Participants : 3 Teams, (6 students)

Objective of the event: To encourage the students to present their innovative ideas under the theme- waste management and recycling.

Outcome of event : By attending this event, the students can be able to improve their presentation skills, idea generation for solving the problems in waste management and recycling in addressing the real time issues and enhance their skills in doing Final Year Major projects, as part of the curriculum. Further, the students will gain knowledge and awareness on different types of recycling process and waste control methods to reduce the pollution.

Description / Report on Event:

The event on Poster presentation is conducted for 1 day to III/II year B. Tech. students with registrations as a team. The event began with inaugural address by Dr. G. Srinivasulu, Head Department of ECE, who highlighted the significance of the poster presentation. It was mentioned that with the technology evolving faster, the students should always update themselves with the current trends irrespective of running behind non-core jobs, students need to strengthen their core concepts and opt for a better carrier. Dr. G.L.N. Murthy, professor, ECE Dept. have informed the students about initiatives taken by the department to enhance the learning, and presentation skills of the students. It was mentioned that the current trend towards waste recycling applications; all should effectively present their ideas and gain knowledge. Dr. P. Venkat Rao has coordinated the event. On that day, students as a team presented their posters in presence of the judge Dr. G.L.N. Murthy. The students responded to the queries asked by the judge and each poster is thoroughly reviewed and best poster are rewarded.
