REPORT ON GUEST LECTURE ON “RECENT ADVANCES IN THERMAL POWER STATIONS”

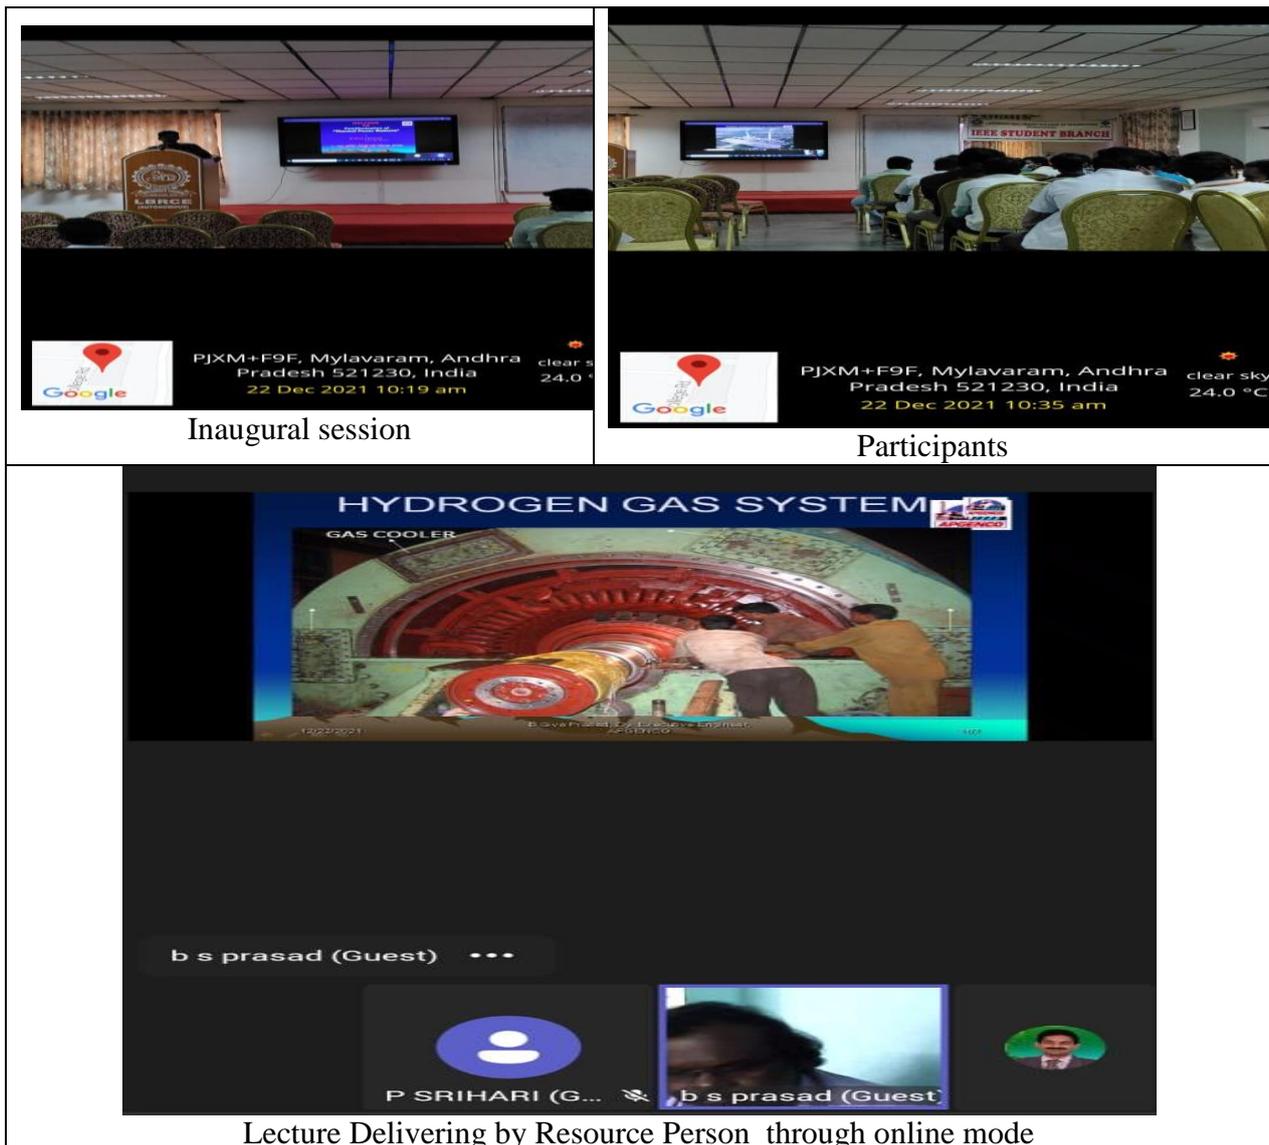

Event Type	:	Guest Lecture Event
Date / Duration	:	22-12-2021, 10:00 AM to 12.15 PM
Resource Person	:	Mr. B.Siva Prasad, Executive Engineer, Dr. NTPPS, Vijayawada
Names of Coordinators	:	Dr.G.Nageswara Rao, Mr. P.Srihari
Target Audience	:	IV B.Tech Students of EEE Department.
Total no of Participants	:	120
Objective of the event	:	To create awareness about the power scenario in India and operational practices and advances in Thermal power stations.

Outcome of event

- Students got information regarding statistical data of total power generation and consumption in India in comparison with that of worldwide energy.
- Understand about the key role of renewable energy resources and how they are replacing the conventional energy resources.
- Understand about the different parts of Thermal power plant and their operational practices.

The EEE Department is organized a Guest Lecture on “Recent Advances in Thermal Power Stations” in association with AEEL & IEEE Student Branch on 22-12-2021.
