Report on Mock Interview Conducted by LBRCE Alumni

Date: 01 August 2026

Time: 10:30 AM to 1:30 PM

Platform: Microsoft Teams

Organized by: Department of Electrical & Electronics Engineering, Lakireddy Bali Reddy College of Engineering (LBRCE)

Resource Person

Mr. K. Murali Krishna, Alumni (2006–2010 Batch), Senior Technical Project Leader, AUMOVIO Power Electronics, Babenhausen, Germany.

Report

The Department of Electrical & Electronics Engineering (EEE), LBRCE, organized an online Mock Interview on 01 August 2026 through the Microsoft Teams platform for 20 final-year students. The session was conducted by distinguished alumnus Mr. K. Murali Krishna (2006–2010 batch), currently serving as Senior Technical Project Leader at AUMOVIO Power Electronics, Babenhausen, Germany.

The mock interview was designed to simulate real campus recruitment interviews and help students improve their technical knowledge, communication skills, confidence, and interview etiquette. Individual feedback was provided on technical responses, problem-solving approach, body language, resume presentation, and HR interview performance.

The expert shared practical insights into current industry expectations, preparation strategies, and the importance of continuous learning, project knowledge, and professional communication. Students actively participated throughout the session and clarified their career-related queries.

The Department of EEE sincerely thanks Mr. K. Murali Krishna for sparing his valuable time and mentoring the students. The session was highly interactive and beneficial, enhancing the placement readiness of the participating students.

Outcome

- Improved interview confidence
- Better understanding of technical and HR interview expectations
- Constructive individual feedback
- Enhanced placement preparedness
