Resource Person

Mr. B.Gokul Raju, Alumni (2019–2023 Batch),

Designation: Engineer Trainee, Company name: Tata Steel

Location: Jamshedpur

Report

The Department of Electrical & Electronics Engineering (EEE), LBRCE, organized an online Mock Interview on 19th September 2026 through the Microsoft Teams platform for 20 final-year students. The session was conducted by distinguished alumnus Mr.B.Gokul Raju (2019–2023 batch), currently serving as Engineer Trainee, Tata Steel, Jamshedpur.

The mock interview was designed to simulate real campus recruitment interviews and help students improve their technical knowledge, communication skills, confidence, and interview etiquette. Individual feedback was provided on technical responses, problem-solving approach, body language, resume presentation, and HR interview performance.

The expert shared practical insights into current industry expectations, preparation strategies, and the importance of continuous learning, project knowledge, and professional communication. Students actively participated throughout the session and clarified their career-related queries.

The Department of EEE sincerely thanks Mr.B.Gokul Raju for sparing his valuable time and mentoring the students. The session was highly interactive and beneficial, enhancing the placement readiness of the participating students.

Outcome

- Improved interview confidence
- Better understanding of technical and HR interview expectations
- Constructive individual feedback
- Enhanced placement preparedness
