Suggestions given by the experts during B O S -2014.

Sub: Engineering Chemistry

Date: 04-07-2014

1. Instruments should be added to the Chemistry lab i.e
 - a) Spectrophotometer
 - b) PH meter.
2. At present one lab is not sufficient for running practical classes for B.Tech students, one more lab should be provided as per workload.
3. Provide computer systems with net facility for update knowledge and for research activity.
4. Fuming cupboard with good exhaust facility may be procured .
5. Suggested to procure magnetic stirrer and mechanical stirrer .
6. Suggested to procure melting point and boiling point apparatus.
7. Suggested to procure Engineering Chemistry by B.K.Sharma.
8. Green chemistry by Paul T.Anastar.
