Date: 23-06-2016

### Consolidated Feedback report collected from stakeholders during academic year 2015-16

#### Students

- A course on PLC & Automation is required.
- Number of open elective courses should be more.

#### Faculty

- A course on Energy storage systems may be introduced.
- A laboratory course on Electrical workshop is recommended.

#### Employer

- Certificate programmes on industry needed topics may be conducted to improve employability
- A course on electrical safety is recommended.

#### Alumni

- Courses on present technologies may be added.
- Self learning courses may be introduced.

#### Parent

A good exposure to higher studies is needed.

#### Action taken Report

- Optimal control course is conducted as a MOOCS course in the academic year 2015-16
- Exposure to higher studies is given to students through counselling.
- Guest lecture /workshops/ certification training programmes are arranged to create awareness on advanced technologies in the academic year 2015-16
- Collected different views on curriculum/syllabus and this feedback is forwarded to Department Academic Committee and Department Advisory Board to include in next regulation
