### Summary of Stake holder feedback and analysis on syllabus during the A.Y.: 2017-18

#### Students

- Teaching is satisfactory but need some subjects related to management and communication skills.
- As our campus is providing more software jobs, please impart software courses including labs in our curriculum.

#### Teachers

- Modification of CO's for few courses for R17 regulation.
- List of Add on Courses to be included in R17 regulation for third and final years.

#### Employers

- Students should try to do their internships at IITs.

#### Alumni

- Require labs for courses like Virtual Instrumentation.
- Allow more time for internship and increase the number of visits to industries..

#### Parents

- Course is good, more employment opportunities to be provided.
- Placement training has to be enhanced.

#### Action Taken Report

- ✓ Management and communication skills courses are already included in R17 regulation.
- ✓ Inclusion of additional software courses (theory & Lab) will be considered for next regulation.
- ✓ CO's for few courses were modified and submitted for BOS approval.
- ✓ Add on courses were included in R17 regulation and submitted for BOS approval.
- ✓ Few students got the permission for internship in IIT Bombay with stipend (14<sup>th</sup> Batch).
- ✓ Inclusion of VI lab, increasing internship duration and arranging more industrial visits will be looked into in next regulation.
- ✓ Efforts will be put to enhance placement opportunities by increasing placement training programs.
