LAKIREDDY BALI REDDY COLLEGE OF ENGINEERING

(AUTONOMOUS)

Accredited by NAAC with 'A' Grade, ISO 9001:2015 Certified Institution

Approved by AICTE, New Delhi and Affiliated to JNTUK, Kakinada

L.B.Reddy Nagar, Mylavaram-521230, Krishna Dist, Andhra Pradesh, India

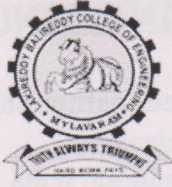

Minutes of 9th IQAC Meeting held on 10-07-2017

Principal greeted all the members of IQAC and welcomed them to the meeting and declared the meeting open at 2.30 P.M.

- The Chairman has appraised all the members that the primary objective of IQAC is to institutionalize the best practices. The strategies to be employed are also appraised.
- The Chairman has presented the improvements brought in the curriculum and assessment procedures from A.Y 2017 onwards. From the implementation view point the newly adopted curriculum and assessment methods are assumed to assure better quality.
- The Chairman has presented all the salient features of Teaching Learning Process that is being currently implemented. All the members appreciated all the features and felt that they would contribute for better quality.
- From the implementation view point members felt that as many as possible of the proposed Teaching Learning processes be attempted subject to time and financial constraints. The polices for faculty performance index computation and faculty appraisal after students' feedback are presented by the Chairman and the same are appreciated by all the members.
- The specific action plan to handle bright students as well as weak students is proposed by the Chairman and focus on weak students is pointed out as an important task.
- The Chairman requested for an advanced submission of calendar of events by all the departments in view of activity improvement in the college. Quality consciousness is pointed out to be a guiding factor in the conduct of all such events.
- Value addition by Certification courses is considered as an important parameter in quality assurance. All the members have been appraised about the certification courses that are currently being conducted by various departments. Members were requested to improve the number of certifications and participation in each certificate program.
- The Chairman has presented about the initiatives and incentives regarding the research activity in the college. Members appreciated all the initiatives taken. Research proposal by every Doctorate degree holder is observed to be a very good initiative.
- The Chairman has pointed out the proposed library resource funding and requested the members for better utilization and monitoring of these resources.
- The Chairman has presented about the career guidance methods employed in the college and requested the members to suggest further improvements.
- Since the results reflect the quality of academic programs implementation in the college, the results analysis is considered by the members. The Chairman has pointed out for the appropriate remedial actions in cases of poor results.
- The most recent AQAR report is ratified and approved.
