Date /duration	03-11-2025 to 8-11-2025
Resources Person	Dr.Y.V.Bhaskar Reddy, Professor, CSE Mrs.G.V.Rajya Lakshmi, Sr. Assistant Professor , CSE Mr.Ch.Samba siva Rao, Sr. Assistant Professor,IT Mr.S.Srinivasa Reddy ,Sr. Assistant Professor ,CSE Mr.P.Jagadeeswarara rao, Sr. Assistant Professor ,AI &ML Mrs.M.Hemlatha , Sr. Assistant Professor,IT
Name of the co-ordinators	Dr.O.Naresh Dr.U.Rambabu
Target Audience	MBA II Year students
Total no of students	124
About the event	The One Week Workshop on SQL & Power BI was organized to provide hands-on training in data management and business analytics tools. The sessions were conducted by experienced faculty members who covered key concepts such as SQL queries, database handling, data visualization, dashboard creation, and report generation using Power BI. The workshop emphasized practical learning through exercises and real-time datasets, enabling students to understand how data-driven decision-making is applied in business environments.
Objective of the event	The objective of the workshop was to enhance students' technical skills in SQL and Power BI, provide practical exposure to data analysis tools, and improve their ability to interpret and visualize data for effective business decision-making.
Outcome of the Event	Students gained practical knowledge of database management using SQL and developed skills in creating interactive dashboards using Power BI. The workshop improved their analytical abilities and enhanced their readiness for careers in data analysis and business intelligence.
Feed back	Students responded positively to the workshop and appreciated the hands-on training approach. They found the sessions highly useful for developing technical and analytical skills and expressed interest in more such practical workshops.
