Name of the coordinators: **Dr.V.Dhana Raju, (Associate Professor)**  
**Dr.N.Sunil Naik, (Associate Professor)**  
**Mr.D.Mallikarjuna Rao(Assistant Professor)**

**Target audience:** **Mechanical Engineering students**

**Total Number of participants:** **221**

**Objective of the event:**

The two day online workshop is designed to stimulate the minds of young students to work in the area of alternate fuels, their development and testing for effective usage as commercial alternatives to fossil fuels. Further, to spread awareness among students about the importance of Alternate Fuels as viable source for future automobile applications and emission reduction techniques.

**Outcome of the event:**

At the end of the workshop students will able to

- Spread awareness the importance of Bio Fuel and different resources of Bio Fuel.
- Future scope of Bio fuel and advantages over Electric and fossil fuels.
- Utilization and compare the performance parameters Bio fuels with other resources.
- They will use the biofuels for their project works
- They can publish research papers by doing some experimental work on biofuels.
- Reduced greenhouse gas emissions are among the explicit goals of some policy measures to support biofuel production.
- Biofuels burn cleaner than fossil fuels. They don't produce sulfur or aromatics, so there's no unpleasant smell associated with burning biofuels.
- Another benefit to biofuels is the reduced danger of an environmental disaster.

**Feed Back/Suggestions:**

1. The resources person has provide vital information regarding Bio fuels.
2. It is suggested to the coordinators that give information about the workshops well in advance.

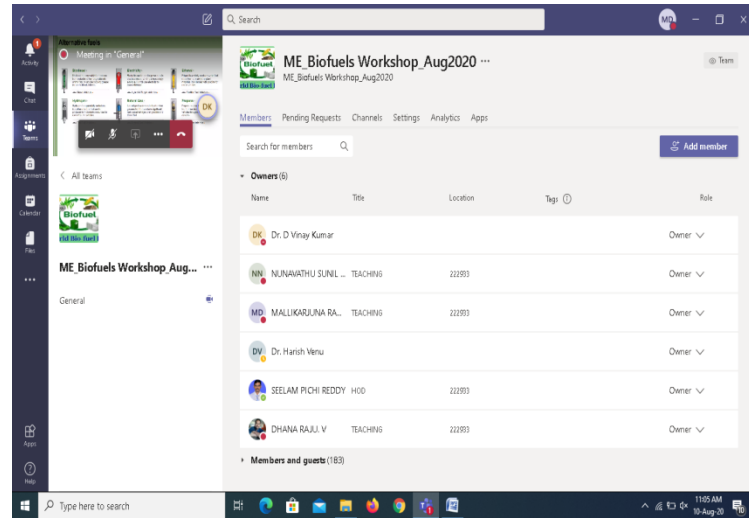

**Registration and Fee Particulars:**

1. There is no registration fee
2. Joining Link: <https://tinyurl.com/Biofuels-workshop>.

**Important Dates:**

1. All the sessions are conducted online through Microsoft Teams App.
2. E-certificates are given to the students who satisfied the criteria set by the organizing committee.

## About the Institute & Department

The Lakireddy Bali Reddy College of Engineering (LBRCE) was established in the year 1998 by Er. Lakireddy Bali Reddy garu. The institute is established with the sole aim of providing high quality educational opportunities in the field of science, engineering, technology and management. It is approved by AICTE, affiliated to JNTUK, Kakinada and attained autonomous status in the year 2010. It attained NAAC accreditation. The institute is listed in 201 to 250 Rank band by NIRF India Rankings 2020 and also certified by ISO: 9001-2015. The Department of Mechanical Engineering was started in the year 1998. The Department is accredited by NBA (Tier-I). The Dept. is recognized as a Research centre by JNTUK Kakinada.
