Activity Report:

LBRCE NSS conducted an Awareness Program on “**Health Awareness and Screening camp**” on 8th August,2022 at Velvadam village, NSS Unit in association with Andhra Hospital. This programme was planned in a way to bring in awareness and medical screening among the people about cardiac and general issues observing in our daily life and the diet he was following at this age. The programme was initiated by Dr. A. Achyuta Babu, Director of Andhra Hospital, Mr.G. Srinivasa Reddy, President of LBRCE, Dr.K.Appa Rao, Principal of LBRCE and Velvadam village President Mr. Dharma Raju. On this occasion, Dr. A. Achyuta Babu said that health is very important for everyone, not only when we have any health problem, but we can protect our health if we take appropriate precautions in relation to blood pressure, sugar, kidney and heart problems which are often bothering everyone in advance. Dr.K.Appa Rao, Principal of LBRCE said that he is very happy to benefit for Velvadam village people, Dr.A.Achyuta Babu, Director of Andhra Hospital,Hospital staff who organized such a health camp and gave appropriate suggestions regarding health. He expressed his gratitude to Dr. B. Siva Hari Prasad, NSS Program Officer of the college and the management of the college.
