A Report on ‘ TCS-Specific Training ’

Event: TCS Specific Training

Date(s): 8th - 12th Aug,2022

Resource person(s): Training Team from Talent Shine, Hyderabad

Target Audience: IV B. Tech students (TCS eligible students)
AI&DS/CSE/CSML/ECE/EEE/IT/ME/CIVILASE

Total no of Participants: 800

Objectives of the Event:

- To provide in-depth training on Aptitude and Programming skills with special focus on logic building and problem-solving skills as per TCS pattern.
- To prepare students for cracking TCS assessment.

Detailed Report on Event:

The Special Technical Training on TCS pattern commenced with sessions on the required Programming topics in various languages like C, C++, JAVA, Python. The focus was on helping students to develop effective analytical skills, logic building and problem-solving skills specific to TCS assessment. Then, in the subsequent sessions, students were trained in DSA with focus on working on real time problem statements and developing optimized coding solutions. The training involved classroom training, practice sessions and regular assessments for effective learning and practice.

With 800 participants, the training sessions were interactive, hands-on and participative.

Outcome: The students developed clear understanding of key Aptitude, Programming & DSA concepts and learnt smarter approaches at analyzing real time problem statements and developing optimized, lean and scalable coding solutions for the TCS assessment.

Feedback & Suggestions: Participants expressed satisfaction with the quality and relevance of the training and showed readiness to attend more such training programs for better placement preparation.
