A Report on ‘Resume Writing & HR Interview Preparation’

Event: AWS Training for Pre-final year students

Date(s): 1st July 2022

Resource person(s): Dr.Sujit Kumar Rath, Assoc.Prof., CGT

Target Audience: IV B.Tech students (AI &DS, CSE, CSML, ECE, EEE, IT)

Total no of Participants: 180

Objectives of the Event:

1. To provide in-depth understanding on Resume building process with focus on role specific projection.
2. To prepare students to understand the nuances of effective interview preparation with mock sessions.

Detailed Report on Event:

The Training Program commenced with Resume building process with focus on role specific projection. The various techniques were discussed and the real world scenarios were presented as well. The basic nuances of effective interview skills were discussed and students were put through mock sessions to experience its firsthand.

With 180 participants, the training sessions were interactive, hands-on and participative.

Outcome: The students developed clear understanding of key Resume building aspects with projections aimed at AWS and cloud. Students gained first-hand experience of interviews.

Feedback & Suggestions: Participants expressed satisfaction with the quality and relevance of the training and showed readiness to attend more such training programs for better placement preparation.
