### **A Report on 'Wipro Talent Next ATP Program'**

**Event:** Wipro Talent Next ATP Program on Cloud Computing

**Date(s):** 7<sup>th</sup> –11<sup>th</sup> Aug,2023

**Resource person(s):** Wipro Talent Next, Bangalore

**Target Audience:** Faculty

**Total no of Participants:** 12

#### **Objectives of the Event:**

- To provide in-depth training on Cloud computing with special focus on Full stack Development.
- To prepare faculty for developing real time deployable applications for enhanced industry readiness.

#### **Detailed Report on Event:**

The Wipro Talent Next ATP commenced with sessions on improving the foundational aspects related to Cloud computing. The focus was on helping faculty to develop good understanding of the front end and back-end applications like for helping students develop deployable applications. Then, in the subsequent sessions, they were trained on real time problem statements and developing optimized deployment solutions. The training involved classroom training, practice sessions and regular assessments for enhanced learning.

With 12 participants, the training sessions were interactive, hands-on and participative.

**Outcome:** The students developed clear understanding of key Cloud Computing concepts. and learnt smarter approaches at analyzing real time problem statements and developing optimized, lean and scalable applications.

**Feedback & Suggestions:** Participants expressed satisfaction with the quality and relevance of the training and showed readiness to attend more such training programs for better placement preparation.
