A Report on ‘ CRT Training (Accenture)’

Event: Accenture CRT Training

Date(s): 21st - 25th Aug,2023

Resource person(s): Training Team from Talent Shine, Hyderabad

Target Audience: IV B. Tech students (Accenture eligible students)
AI&DS/CSE/CSML/ECE/EEE/IT/ME/CIVILASE

Total no of Participants: 600

Objectives of the Event:

- To provide in-depth training on Aptitude and Programming skills with special focus on logic building and problem-solving skills as per Accenture pattern.
- To prepare students for cracking Accenture assessment.

Detailed Report on Event:

The Special Technical Training commenced with sessions on improving the foundational aspects related to Programming in various languages like C, C++, JAVA, Python. The focus was on helping students to develop analytical skills, logic building and problem-solving skills. Then, in the subsequent sessions, students were trained in DSA with focus on working on real time problem statements and developing optimized coding solutions. The training involved classroom training, practice sessions and regular assessments for enhanced learning.

With 600 participants, the training sessions were interactive, hands-on and participative.

Outcome: The students developed clear understanding of key Programming & DSA concepts and learnt smarter approaches at analyzing real time problem statements and developing optimized, lean and scalable coding solutions.

Feedback & Suggestions: Participants expressed satisfaction with the quality and relevance of the training and showed readiness to attend more such training programs for better placement preparation.
