Event: Pega UAP Program

Date(s): 8th Jan 2024

Resource person(s): Resource persons from Talent Sprint, Hyderabad & Pega Inc.,

Target Audience: III B.Tech Students (2025 Batch)

(AI & DS/CSE/CSML/ECE/EEE/IT)

Total no of Participants:700

Objectives of the Event:

1. To provide Overview of the Pega UAP
2. To help students to build applications on the Pega Platform
3. To provide placement opportunities

Detailed Report on Event:

The training was provided to enable students to get an overview of Pega System Architect certification which is a foundational certification for developers and technical staff learning to build applications on the Pega Platform. As a part of the training, students learnt hands on training in use case management, data modelling, UI design, and application security to help them in the Pega certification path. The training involved classroom training, practice sessions and regular assessments for enhanced learning.

With 700 participants, the training sessions were interactive, hands-on and participative.

Outcome: The students understood Pega certification process and learnt how to leverage it for Placement offers in TCS, Cognizant, LTS Mindtree etc.

Feedback & Suggestions: Participants expressed satisfaction with the quality and relevance of the training and showed readiness to attend more such training programs for better placement preparation.
