A Report on 'Special Training for Tech Mahindra'

Event: Tech Mahindra specific Training on Aptitude & Technical

Date(s): 3rd -8th Feb 2024

Resource person(s): Training Team from Talent Shine,Vizag

Target Audience: B.Tech IV Year CRT registered students {CSE,AI&DS,IT & ECE}

Total no of Participants: 600

Objectives of the Event:

- To provide Tech Mahindra -specific training as per the latest pattern covering all relevant skill areas.
- To help develop Programming skills with a special focus on logic building and problem-solving skills.
- To help students gain communicative competency and confidence to effectively face interviews

Detailed Report on Event:

The Tech Mahindra -specific training commenced with sessions on improving the foundational aspects related to Programming in various languages like C, C++, JAVA, Python as well as the English Language and communication. The focus was on helping students to understand the latest cognizant pattern and develop the required analytical skills, logic building and problem-solving skills to handle questions efficiently. Then, in the subsequent sessions, students were trained in DSA with focus on working on real time problem statements and developing optimized coding solutions. The training involved classroom training, practice sessions and regular assessments for enhanced learning.

With 600 participants, the training sessions were interactive, hands-on and participative.

Outcome: The students developed clear understanding of key Programming & DSA concepts and learnt smarter approaches at communicating their ideas and doing well in the placement drive.

Feedback & Suggestions: Participants expressed satisfaction with the quality and relevance of the training and showed readiness to attend more such training programs for better placement preparation.
