Detailed Report on Event:

The Expert Talk on "Evolving Industry Expectations from Engineering Students" commenced with an Inauguration Function, attended by HODs of various Depts, all Training & Placement Cell personnel, faculty and students of III B.Tech (all Branches). Speaking on the occasion, Hon'ble Principal, Dr.K.Appa Rao exhorted students to become career-oriented and quality conscious to become industry ready. He appreciated Mr. MSR Murthy for his wide ranging corporate experience and contributions to academic institutions in scaling up the skill quotient among students. While delivering his expert talk, Mr. Murthy delivered a dynamic presentation focused on:

- Building industry-relevant skills through continuous learning
- Planning careers with clarity and purpose
- Gaining certifications and practical exposure to emerging technologies

With 1,120 participants across two sessions, the talk was interactive and energizing. Students engaged with the speaker and found the session both insightful and motivating.

Feedback & Suggestions:

- Participants suggested organizing more Expert Talks, Leadership Talks, and Tech Talks to expand exposure to real-world industry scenarios and expectations.
- The participants interacted with the guest speaker from TCS and expressed satisfaction with the program and found it inspiring and informative.

The program concluded with a call to the students to effectively apply the acquired awareness about Industry expectations and try to get industry ready.
